Special regulations

- According to the rules of FIPO 2014
- All MEM championship tests will be held in two classes: Young Riders (age 16 - 21) / Adults (age >= 22 years)
- MEM championship tests are: T1, T2, V1, F1, P1, P2, PP1, Four Gait and Five Gait Combination
- Preliminary rounds in oval track tests: In MEM championship tests adults and young riders start together or separately. In all other preliminaries adults and young riders start together.
- Finals in oval track tests: In all MEM championship finals adults and young riders start separately. In additional finals adults and young riders start together.
- Team ranking is based on the highest sum of marks in the preliminary rounds (when applicable) in each test group for the three highest ranked rider/horse combinations in that test group. In case less than three combinations participate in a test group, the team will receive 0.00 per lacking combination. The test groups are:
 - PP1
 - P1 / P2
 - T1 / T3
 - T2 / T4
 - V1 / V2
 - F1 / F2
- The participants per country are selected by the national associations according to their own rules.
